

Information of renewal of search engine

We would like to announce you that the renewal of currently working “Blitz Search Engine System” to “Blitz stock display System”.

Summary of “Blitz stock display system”

No need to Login. Everybody can see inventory situation by symbols.

< : In stock X : Out of stock : Made by order >

Specifying major or minor classification of merchandise, you can view inventory and merchandise list.

Input our part number showing product information and stock situation. (Can be able to Search 5 items in once.)

You can view this inventory system from Smartphone. (Some model may not work)

The screenshot shows the BLITZ Stock display system search menu. It features two search options: '商品分類から検索' (Search for Products) and '商品番号から検索' (Search for Code No.). The 'Search for Products' section includes dropdown menus for '商品大分類' (Select Products) and '商品小分類' (Select Products), followed by a 'Search' button. The 'Search for Code No.' section includes a text input field for '商品番号' (Input Code No.) and a 'Search' button. At the bottom, there is contact information for the BLITZ Support Center, including the phone number 0422-60-0033 and the copyright notice 'Copyright © 1987-2011 BLITZ Co., Ltd.'.

Service starts : Aug. 8, 2011(Monday)

HP Address : <http://products-search.blitz.co.jp/>

Due to renewal to a new system, we finished former service of “BLITZ Search Engine System”, for that reason, “Login ID” “Password” are no longer needed.

“Blitz Stock display system” does not need to Login, therefore, please continue to use like former service.

Stock situation will change at all times. Please see “stock display system” information only for a reference.

Please contact “Blitz Support Center” for certain stock situation
