

TOKYO AUTO SALON 2016

BLITZ is proud to be exhibiting at the "TOKYO AUTO SALON 2016" held at the Makuhari Messe Convention Center in Chiba Prefecture for three days, from January 15th to 17th, 2016.

Our theme for this year is 『OPEN THE NEW GATE』. We want to open a new gate for all car enthusiasts.

● Last year's exhibit

● Exhibition Vehicle

We plan on displaying the six cars listed below. All six cars will be equipped with our original body kits and additional new products which we plan on releasing in 2016.

Exhibition Vehicle	Model	Content
BLITZ ROADSTER	ND5RC	Bolt on Turbo with fully body kits
BLITZ PRIUS	ZVW50	Brand New Prius with ZZ-R and body kit
BLITZ VELLFIRE	AGH30W	New DAMPER ZZ-R BB with fully body kits
BLITZ 86 WIDE	ZN6	Proposed for wide body style
BLITZ S660 SpecC	JW5	Proposed for SpecC circuit style
BLITZ RC 200t	ASC10	DAMPER ZZ-R with Carbon Lip Spoiler

Coming Soon

●Exhibition Products

Soon to be released 『DAMPER ZZ-R BB』 will be displayed on an exhibiting vehicle and on the product display corner as well. In addition, we will be announcing several new products to be released in 2016, such as the throttle controller which can increase power the 『POWER THRO』, and the 『Touch-B.R.A.I.N. exclusive for 86/BRZ model』 equipped with VSC cutting ability and 86 specific protocols. Furthermore, our reasonably priced and easily installable 『TV-NAVI JUMPER』, our highly reputed 『TURBO SYSTEM』 and 『BRAKE CALIPER KIT』 will be available for view as well.
