

Additional Application

Drive mode Start Jumper

TOYOTA PRIUS PHV

【Product Characteristics】

- 『Drive Mode Start Jumper』 automatically starts the vehicle's drive mode in Sports.
Drive Mode Select for Toyota, Lexus and other manufacturer's sports mode functions return back to normal every time the engine is started. By equipping the Drive Mode Start Jumper, the vehicle will be linked to begin in the Sports mode when the engine is started. Frustrating operations after the engine is turned on will be eliminated.
- Only the power, grounding and signaling wires need to be connected for installation.
- All necessary parts for installation is included.
- Built in function to convert back to normal conditions.
When the Drive Mode Start Jumper is not needed, a simple operation can bring back the stock conditions.
