13.2 L required for vehicles equipped with rear heater. 11.2 L for vehicles without rear heater

※The reference prices listed above are from February 28th, 2019.

■ Recommended Products

	Product Name	Reference Price (Without Tax)	Required Quantity
Spark Plugs	NGK IRIDIUM MAX LFR7AIX-P	¥1,900	4

Driving is possible with stock spark plugs.

However, spark plugs with a higher heat range is recommended since the engine will build up heat.

※The reference prices listed above are from February 28th, 2019.

■ Please use High-Octane gasoline instead of Regular.

■ Since the engine output will drastically improve with this product, we are restricting the use of certain aftermarket parts. For more information please contact us for a separate instruction manual.

Release Date: April 5th, 2019 (Friday)
