

Additional Applications

NÜR-SPEC F-Ti

Full Titanium exhaust system specifically for the RC-F.

By utilizing Titanium, the muffler is highly resistant to corrosion and is extremely light weight.

The product can be installed onto the stock bumper. Quad exit ϕ 100 inner curl tail end has been utilized.

The tail end can be adjusted to your preference.

ϕ 60 main pipe has been designed vehicle specifically. The products only weighs 4.7kg. (Stock exhaust 15.7kg).
