

## New Product Information

AERO SPEED  
*R-concept*

BLITZ AERO SPEED R-CONCEPT for the Supra is now available.

The model vehicle is equipped with FRP and Carbon Full Kit.

※BLITZ License Plate not included.

Model vehicle is equipped with NUR-SPEC FINISHER VSR

### 【Product Description】

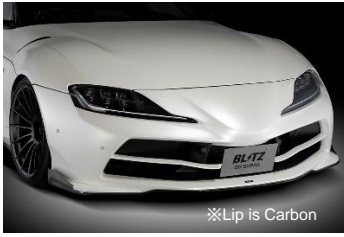

- BLITZ original wide-body kit styled for the street. Some parts are available in carbon fiber.
- Louvers have been incorporated in the front bumper to make the vehicle appear wider.
- Give your vehicle an aggressive look with the wider and sportier rear bumper.
- The low mount rear spoiler has been formed to produce stable downforce. Does not obstruct the view of the high mount stoplight. The spoiler width is within the stock dimensions and passes the Japanese regulation.
- The side spoilers give the vehicle extra width and a more energetic look.
- The over fenders have been designed to complement the natural body lines of the Supra.
- The door panels cover the side ducts to give the vehicle a simpler body line.
- The FULL KIT includes the entire body kit for the Supra. The price is set lower than purchasing each part separately.

※In Japan, you will need to apply for structural changes to have your vehicle street legal.

※A large part of the body will need to be modified to properly install the over fenders.
