METER PANEL

19188 RED METER SET installation example

Product Description
- The Racing Meter Panel has been designed specifically for the GR86（ZN8）/ BRZ（ZD8) and is able to house additional meters on the passenger side of the vehicle. (Only compatible for right hand drive vehicles.)
- The layout has been set to achieve clear visibility from the driver`s position.
- You are able to purchase the Meter Panel alone or along with the BLITZ RACING METER SD and all other necessary attachments as well as wiring for proper installation.
※ In order to install this product, the interior trim must be cut and modified.
