

Additional application for the RACING OIL COOLER KIT BR is now available for the TOYOTA GR86 (ZN8) / SUBARU BRZ (ZD8)

## RACING OIL COOLER BR

[Click here for more information on the RACING OIL COOLER KIT BR](#)

**Product Characteristics**

- The new oil cooler core has been finished with a black powder coating for greater durability and reliability. 12 row L230 × H173 × 50 (mm) drawn cup type unit. The core size is the same as the previous Oil Cooler RD. This allows interchangeability of the parts.
- The fittings has been updated with a Red/Black alumite finish.
- Nylon stainless mesh hose has been employed for easier installation due to its flexibility.
- Equipped with an internal thermostat for accurate regulation of the oil temperature.
