

Select SmaThro will now include an updated TOYOTA TYPE-2 or NISSAN TYPE-2 service panel

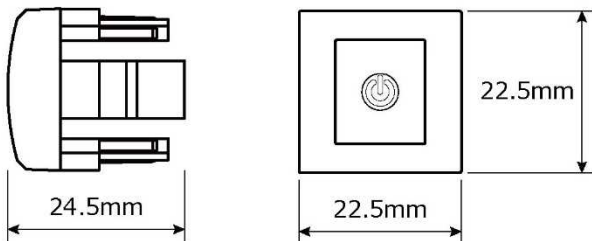

[Click here for further information on Sma Thro](#)

Product Description

- Select products will now include an updated TOYOTA TYPE-2 or NISSAN TYPE-2 service panel along with the older generation panels.
- The switch can be simply installed in an open genuine service panel.
 - ※ The service panel may not be installable if the shape of the panel is different or there are no openings on your vehicle.
 - ※ Please check the product compatibility to see which service panel will be applicable.
