RACING METER PANEL METER SET for 86/BRZ

Product Description

● Vehicle-specific meter panel designed for the 86 (ZN6) / BRZ (ZC6) that accommodates essential gauges required for monitoring vehicle condition.

● Dedicated design optimized for driver visibility, ensuring an unobstructed field of view while driving.

● The panel is finished in matte black to match the vehicle interior, and all necessary parts for installation are included.

● In addition to the meter panel alone, a meter panel set is available that includes the BLITZ RACING METER SDX, required attachments, and a dedicated power supply harness.

● For vehicles equipped with a turbo kit, a model set including BOOST, TEMP, and PRESS gauges is also available.

※ Installation of this product requires modification of the vehicle's interior panels.

※Compliance with vehicle safety and inspection regulations may vary depending on the region and the inspector in charge.Before purchase, please be sure to consult with the workshop that will perform the vehicle inspection, as well as the relevant local transport authority.
